VOLUNTEER WORK

LSE Applicant Mentoring Programme — 2020 to present

Started and managed a mentoring programme that helps applicants from underrepresented backgrounds in economics overcome information barriers involved in applying to competitive graduate programmes. The programme was expanded to the economics departments at Oxford, Cambridge, UCL, and Warwick in 2021. The programme has mentored over 400 students to date.

ADDITIONAL COURSEWORK

University of Oxford — 2021

Courses on computational macroeconomics and numerical methods

London School of Economics and Political Science — 2014 to 2015

University of London International Programme (part-time): Graduate Diploma in Mathematics

Harvard University — 2012

Non-degree coursework in mathematics
